

Hello! My name is Cyndi Gerlach, and I am running for School Trustee in the District of North Vancouver in the municipal elections on Saturday, November 19th.

I am a long-time North Vancouver resident. I graduated from Handsworth Secondary, and I am raising my own family here, with my children now attending Westview, Balmoral and Handsworth. I have been a strong advocate for innovative and accessible educational programs within our district for over 10 years.

In 2009, I ran for School Trustee in the by-election, narrowly missing my objective by only 15 votes. However, I vowed to continue to stay involved with our school district, and I have done just that!

I have been involved with our North Vancouver District Parent Advisory Council Executive (DPAC) since 2007, and am now the Chair. In this capacity, I have sat on a wide variety of school district committees, and have supported many parents with their child's education. I am also involved in other areas of our community outside of the world of education. I volunteer as the Secretary, the Registrar, and the Risk Management Director for boys' soccer on the Board of the North Vancouver FC, and sit as the Vice Chair of the North Shore Youth Soccer Association.

I am also a member of the District of North Vancouver's Community Services Advisory Committee, which provides District grants to many North Vancouver charity and service organizations.

I trust deeply in the strength of our district, and believe that every child deserves to be educated in the manner that best supports his or her learning style and needs.

I support the direction our district is moving in through the new strategic plan. As School Trustee, I will continue to work to ensure that the needs of our students and parents are at the forefront of that plan.

I am committed to being your School Trustee, and intend to work for our district for many years to come. To do this, I need your support. My best opportunity to speak for all students and parents is at the district level, representing you as an elected School Trustee. And I appreciate your help! Please consider putting my sign on your lawn, or donating to my campaign.

But most importantly, please vote for me on November 19th.

Your vote will help me speak for all parents and students in our district.

Thank you!

Cyndi Gerlach

Let's talk! Please visit my website to learn more about me, and my involvement in our community and this school district at www.cyndigerlach.com.
